

### **YOUTH INITIATIVES: THE DEVELOPMENT OF A YOUTH CLUB IN TARPORLEY**

RESIDENTS will have read in a previous edition of Tarporley Talk that plans have been made to establish a youth club in Tarporley, which complements the existing clubs at the Baptist/Methodist Church and the Storehouse Church.

Things have developed quite rapidly after Parish Councillors and the Police met with the students at Tarporley High School. We now have a group of Year Eight students who are willing and interested in becoming part of the management group. We have had support from staff in the school, who have facilitated meetings between students, councillors, police, Connexions Youth Workers, the Youth Federation and other members of the local community.

Discussions were held with the Landlords of the Crown Public House and it was agreed that part of the premises could be used as the venue for the youth club. It is envisaged that the young people will meet on Monday's or Wednesday's from 6.30 to 8.30. There are suitable facilities at the Crown to ensure that the young people have an enjoyable time.

The youth club will exist as a separate gathering from the main public areas and no alcohol will be served, as the maximum age for the club will be sixteen. The use of licensed premises for a youth club has been tried successfully in Tattenhall.

The youth club will play a vital role in the development of other activities for the young citizens of the parish. An example of this would be arranging trips to the 'Boneyard' skate park. The police have kindly offered to organise transport for this activity.

The important central feature in the establishment of the youth club is that the young people who live in Tarporley and those who visit the village regularly to meet their friends are fully involved in managing and developing the club and the associated activities. We do need parents and other volunteers to help support this project to ensure that it is a success.

If you are interested and are willing to offer a couple of hours a week to help, please contact: Councillor Jeremy Mills on 01829 730898 or Councillor Graham Lees on 01829 733832 and they will tell you how you can contribute to the project

A public meeting will be held at the **Crown Public House on 16th June at 6pm** to discuss the management and development of the club, if you are interested do come along.

*Cllr Jeremy Mills*
