Declaration of Interests

No interests were declared.

Public Participation

A resident of Bowmere Road raised concerns regarding the speed of vehicles along Bowmere, Brook and Eaton Roads, he reported that during the recent closure of Nantwich Road the speed and volume of traffic day and night had been horrendous, since the road has reopened the volume of traffic has dramatically dropped however the speed is still a serious concern, it was noted that speed issues in the village are to be addressed at the Council's next meeting in October.

Minutes

**16/135 Resolved** - That the Chairman signs the Minutes of the extraordinary meeting held 1<sup>st</sup> August as a true and proper record.

High Street Parking

It was reported that at the meeting before the Parish Council meeting the working group had reviewed the map of the proposed time limited parking and had made some minor amendments, the map will be updated and an electronic copy circulated to all councillors and working group members. Councillors were asked to review the map and let the Clerk know if there were any further minor amendments to be made.

**16/136 Resolved** - That the Council hold a consultation event on Saturday 5<sup>th</sup> November 9.30 until 1.00 in the Community Centre Committee Room to allow residents and businesses to comment on the proposals and that a leaflet is delivered to every home in the Parish Council area advertising the event and stating where the plans can be seen.

It was further agreed that the flier will include a Q&A section highlighting what factors the Council has taken into account and what other actions are being taken to resolve the parking issue of which time limited parking is only one.

It was noted that it would be helpful if the plans for the Community Centre car park are also publicised at the event.

Eaton Road

It was agreed that the Clerk should write to residents of 1, 2, 4 and 6 Bowmere Road asking if they support the extension of the proposed double yellow lines to beyond the entrances to their properties to help ease congestion.

Councillors considered concerns raised at the earlier site meeting about the lack of a safe crossing on

Eaton Road, it was agreed the Clerk should contact CW&C Highways officers regarding the installation of a crossing and seek advice as to the best location.

Councillors considered the concerns raised by residents regarding the proposed extension to the double yellow lines on Eaton Road by the High School that the lines would not resolve the situation.

It was agreed the Clerk should contact CW&C Highways and suggest the introduction of parking restrictions between 8am and 4pm, Monday to Friday.

It was suggested that for ease these times could be reflected in the High Street parking restrictions.

It was agreed the Clerk will discuss with Highways the best way to take forward the traffic regulation orders for the various schemes.

**16/137 Resolved** - That the Council support the proposed double yellow lines on the Bowmere, Eaton Road junction including the extension to cover the entrances of 1, 2, 4 and 6 Bowmere Road if supported by the occupants.

The Clerk was asked to find out costs and impact of speed indicator devices for consideration at the next meeting.
