Spotlight On: Our Precious Hospital

Founded by Florence & Marshall Brooks (pictured below) in 1919, to remember those who died in the First World War, Tarporley War Memorial Hospital is spending 2019 marking its centenary, with many fundraising initiatives, projects and events to ensure the institution remains a vital part of the community for many years to come...

The hospital is keen to stress that it wants local people to *use* all of its many facilities. From wound dressing to minor injuries - these services are not offered as a favour - they are what the hospital is there for and **NEED TO BE USED**.

Here are some of the many services the hospital provides for people living in Tarporley and the surrounding villages:

Out patients:

- Wound Assessment Clinic
- Day Care
- Minor Injuries
- Rheumatology Clinic
- Ultrasound Clinic
- Physiotherapy

In Patients:

- Intermediate Care
- Respite and Rehabilitation Care Breaks
- Terminally Ill and Palliative Patient Support

Housing Needs...

There's been a good response to Cheshire West and Chester's Housing Needs Survey and a meeting was held on February 20th to review the results. Those attending included representatives from CWaC, the Parish Council, Weaver Vale Housing Trust (who run the Oathills Lea retirement complex) and our Ward Councillor, Eveleigh Moore Dutton.

The Parish Council is now waiting for Weaver Vale's thoughts on the future of Oathills Lea, but it is believed that the strength of village feeling that has been demonstrated towards the facility has made a big impact.

Neighbourhood Plan

The Tarporley Neighbourhood Plan will be three years old in March and the Cheshire West and Chester Local Plan is close to being finalised. The Parish Council believes that Tarporley's Neighbourhood Plan has been very important in influencing proposals put forward by developers (such as for the Care Home and Car Park) and directly led to saving the Bowling Green, Allotments and former Royal British Legion Car Park.

The Parish Council are considering starting a review of the Neighbourhood Plan to reflect 'changing circumstances and the current reality', which may include allocating further sites for car parking.

Local Elections...

Do you want to make a difference in your community? We can all make a difference by voting in the local elections on Thursday 2nd May, when both Parish and Borough Council positions will be decided at the ballot box.

If you are interested in going further and working as a Parish Councillor, this is also the time to get in touch with the Parish Council. Please email clerk@tarporley.org.uk for more information.

Most Parish Council work takes place in working groups and other meetings aside from the Monthly Parish Council meetings. Tarporley Parish Council is not party-political - simply a group of people working together for the good of the village.

West Cheshire Elections 2019

Borough and Town/Parish Council

If you're interested in becoming a councillor for either Cheshire West and Chester Council or a town or parish council, come along to one of our briefings.

More Parking Spaces Needed...

Between 50 and 100 more car parking spaces are needed in the village, according to a document published by CWaC Council in January. Tarporley Parish Council - whose own survey determined an even greater need - is working alongside Ward Councillor Eveleigh Moore Dutton and CWaC Council to find a way to create more spaces in Tarporley.

Tarporley Dates...
