Name of organisation	Rotary Club of Tarporley
Charity Number (if registered charity)	1032689
Amount of money requested	£500
Brief description of what the organisation does in Tarporley	As part of the "Tarporley Big Weekend", of 10 th - 12 th September 2021, The Rotary Club's "Carnival Committee" is currently involved in organising the music concert on the Saturday afternoon. In addition, the club members will be doing many of the things that we usually do for the annual carnival, such as putting up the bunting and flags in the High Street.
How will the money requested be spent?	The intended use is to cover the cost of hiring the firm to erect the bunting; this was £400 in 2019. Any remaining money will be used to buy replacement sections of bunting and/or new flags. If we are not able/allowed to erect the bunting, then the money will be used to hire the event's support services such as first aid cover, tents, marquees, etc.
How will this expenditure benefit Tarporley and its residents?	This Big Weekend is being organised to bring the community together as we move out of the pandemic into the 'new normal'. This event is effectively replacing/combining the annual carnival and TarpFEST for 2021.

Have you received funding from Tarporley Parish Council previously? If Yes, please provide a summary of how it was used and the benefits.	The Parish Council has previously kindly supported the Rotary Club in several of its various activities for Tarporley, by covering various costs for the annual carnival and, at the beginning of this year, donating £500 towards the cost of a new Santa Float for use by Rotary and the 41 Club.
